Dear Brothers and Sisters in Christ Jesus,

We, the leadership of Anchorage Native New Life Fellowship have put together the Leadership Gathering schedule. Here are the dates for the 2006 Leadership Gathering and the 2006 Native Musicale. Please mark your 2006 calendars and then plan to join us.

The Anchorage Native Musicale will be held during the evenings of February 20, 21, 22, 23 and the 24th. During the mornings, we will be gathering at Faith Christian Community Church, 4240 Wisconsin Street in Anchorage, Alaska for the Leadership Gathering.

Dr. Art Mathias of Wellspring Ministries will be our keynote speaker this year, along with Rick Bonnette. Both have traveled extensively presenting these helpful Seminars. According to the Wellspring Ministries website at <http://www.akwellspring.com/>, they teach and share God's message of repentance, forgiveness, deliverance, and healing. "Learn how to have victory over the attacks of the devil, bitterness, self-bitterness, anger, jealousy and envy, fear, unbelief and the occult" by attending and studying through *The Biblical Foundations of Freedom* (or "*I Found Freedom*") Seminar.

As followers of Jesus Christ we all struggle spiritually against the attacks of the evil one. Planned topics will be helpful as we discover the healing that comes through God's way concerning repentance and forgiveness. Many village Christian leaders in Alaska spend most the year standing alone without much fellowship, you are strongly encouraged to come, to be equipped, and to be encouraged to overcome the attacks of the devil through God's words and having done so, to stand firm in the face of Christian adversity.

All those interested in healing broken hearts through repentance and forgiveness are invited and welcomed to come. Please plan to be with us for the morning sessions. Those who have questions, please call 907-563-0260, or ask any ANNLF Board Member.

Remember to pray for one another and especially those in leadership, including the Board of ANNLF as they are planning both the 2006 Gathering and Musicale. Thank you.

May Jesus Christ be praised,
