# Howling Huskies Gospel Festival

*The Summer Event!*

July 30-31, 2005

Sponsored by

*Anchorage Native New Life Fellowship*

The first ever Howling Huskies Gospel Festival was held on the grounds of InterAct Ministries Inc. (The site that Arctic Bible Institute used to be at, up on Lazy Mountain in Palmer.) Singing, food and handcraft sales will be the main attractions. Festival-joiners can buy Native foods such as fry bread, salmon chowder and Indian tacos. Last summer the turnout for handcraft tables was low but we feel that it was due to not enough advertising! So spread the news, there's going to be another Howling Huskies Gospel Festival!

Right now, you are being encouraged to share your thoughts with the 2005 Howling Huskies planning committee as to what you feel would be fun to include during the two days of the annual gospel festival.

If you don't have EMAIL please fill this sheet out, stick it in an envelope and mail it to:

Your thoughts, suggestions and ideas will be compiled and given to the Committee for consideration before the next planned Howling Huskies Gospel Festival event. **2005 DUE DATE: May 30, 2005.** Quyaana for your time and we look forward to fellowshiping with you outdoors!
